Order:

Petitioner, a student, has filed this writ petition seeking Mandamus to declare the action of respondents in not considering his case for allotment of seat in M.B.B.S. course as arbitrary and illegal.

Even according to the petitioner, he did not qualify for admission into the said course on account of under-age. The only ground urged by the petitioner is that he made an application seeking correction of

date of birth in the schools records and the same is pending consideration. However, it is stated that no orders have been passed correcting his date of birth.

As much as entire admission process for the current academic year is already over, no relief as sought for can be granted at this stage.

The writ petition is accordingly dismissed. No order as to costs.
